

“

Sem **adaptação**, a **educação**
deixa muitos **fora** do **futuro**.

Professora do
Fundamental I

Camila
36 anos

Hoje, ela enfrenta dificuldades e pressões no processo de educação inclusiva.

A photograph showing a child's hands playing with various colorful plastic blocks (hexagonal nuts and bolts) on a blue textured mat. In the background, there are more blocks and some children's books. The lighting is warm and focused on the play area.

80% de crianças com TEA
apresentam disfunção
na Integração sensorial.

O que o

Lume
oferece?

Foco no
desenvolvimento
da criança
com TEA
